

Speech Therapist

Ungooroo Aboriginal Corporation is experiencing growing demand for service, and we are looking for an experienced Speech Therapist to join our clinical team to work with children and adults to assess and treat a range of speech and language disorders.

This role is being offered on a part-time subcontracting or employee basis .

Although this a non-identified role, we strongly encourage Aboriginal people to apply.

About the Role

- Assessment and intervention of children with receptive and expressive language delays and disorders, speech sound disorders and complex disability
- Providing early intervention to babies and children
- Assessment and management of dysphagia
- Assessment and management of children with difficulties with phonological awareness and literacy
- Liaison with parents and schools to implement programs
- Assessment and intervention for clients with dysarthria, apraxia
- Administering therapy for rehabilitation of patients with communication problems caused by disabilities or hearing loss
- Maintain all patient records and notes in accordance with documentation requirements
- Use evidence-based, problem-solving approach to clinical care and service development

If employed, the benefits of working with Ungooroo include

- Join a growing team of medical and allied health professionals
- Modern and spacious clinical rooms
- Dedicated administrative support team
- Electronic diary & booking system
- Salary sacrifice and packaging for employees
- Travel & meal allowances

Qualifications & Experience

- Tertiary qualification in Speech Therapy and Certified as a Practising Member of Speech Pathology Australia.
- Holder of Professional Indemnity Insurance
- Experience working with Aboriginal people
- Experience working as a Speech Therapist in a community setting
- Current Drivers Licence
- Eligible for Medicare Provider Number

Personal Attributes

- Good interpersonal skills and ability to communicate with Aboriginal individuals, families and communities
- Be able to work in a team and ability to network with other services and health professionals
- Demonstrate patient-focused approach with genuine empathy and interest in patient needs
- Excellent interpersonal and communication skills
- Be always well-presented, friendly and courteous
- Professional presentation and positive attitude
