

Speech Therapist

We have an exciting opportunity for a **Speech Therapist** to join our clinical team, working with children and adults to assess and treat a range of speech and language disorders.

This position is being offered 3 days per week (initially 3 days in Singleton with the view to shift to 2 days in Singleton and 1 day in Muswellbrook).

Although this a non-identified role, we strongly encourage Aboriginal people to apply.

About the role

- Assessment and intervention of children with receptive and expressive language delays and disorders, speech sound disorders and complex disability
- Provide early intervention to babies and children
- Assessment and management of dysphagia
- Assessment and management of children with difficulties with phonological awareness and literacy
- Liaison with parents and schools to implement programs
- Assessment and intervention for clients with dysarthria, apraxia
- Administer therapy for rehabilitation of patients with communication problems caused by disabilities or hearing loss
- Maintain all patient records and notes in accordance with legal requirements
- Use evidence-based, problem-solving approach to clinical care.
